GETTING THERE IS HALF THE FUN!

Located along the scenic Loyalhanna Gorge in a 200 year old National Register-listed building, the Lincoln Highway Experience museum offers visitors a national award-winning 13-minute film, *Through the Windshield*; a variety of interpretive exhibits and Lincoln Highway artifacts; and an amazing Gift Shop packed with not only kitschy Lincoln Highway souvenirs, but with one-of-a-kind items from our *Handmade along the Highway* Collection.

ONE ROAD CHANGED AMERICA FOREVER

DO YOU REMEMBER ...

- receiving S&H green stamps at the gas station;
- eating comfort food at a diner;
- writing postcards to family and friends; and
- checking into a tourist cabin or motel for the night?

Those are genuine Lincoln Highway memories!

Designated in 1913 as the first road across America (it stretches from New York City to San Francisco), a special 200-mile section of the Lincoln Highway in south-central Pennsylvania is celebrated as one of twelve designated Heritage Areas, the Lincoln Highway Heritage Corridor. Ride this historic route (often Route 30 in PA, but not always) to experience the Lincoln Highway 200-Mile Roadside Museum.
